UK residents

Upon your booking we will email you detailed guidance notes how to fill in the visa forms and what additional documents depending on nationality and your immigration status will be required. Please allow about two weeks for your visa application to be processed. Please advise us if you require your passport urgently, we can arrange urgent processing for an additional charge.

Non-UK residents

If you are not resident in the UK, we will issue official paperwork and email the required documents to you. You will need to apply for your visa at the local consulate. The process is very straightforward and we can assist you with completing the visa forms. You will have to pay the correct visa fee at the consulate in the country of your residence.
