

## Classical Trans-Mongolian: Moscow - Irkutsk - Baikal - Mongolia - Beijing

TS-01

This journey of a lifetime is a wonderful opportunity for travellers to experience the relationship, trade routes and connections between different continents and to explore some of the greatest cultures in the world. Our classic Trans-Mongolian tour - which begins in Moscow, continues via Baikal and through Mongolia before arriving in China - follows a similar route as our "Best of Trans-Mongolian TS-11 tour" but without the stop in Yekaterinburg. Your next destination after you board the train in Moscow will be Irkutsk in Siberia.

## INFORMATION ABOUT VISAS

Go Russia provides assistance in processing visas and visa fees are included in the cost of most of our trips as detailed in the tour dossier. The visa application process is very straightforward. Please do not worry that your application will be unsuccessful (unless you have had any immigration issues with the relevant authorities in the past). All our tourists get their visas.

All nationalities require a full passport valid for at least six months beyond the intended length of stay. Please also make sure there are enough blank pages in your passport: Russian consulate requires minimum two blank pages.

### UK residents

Upon your booking we will email you detailed guidance notes how to fill in the visa forms and what additional documents depending on nationality and your immigration status will be required. Please allow about two weeks for your visa application to be processed. Please advise us if you require your passport urgently, we can arrange urgent processing for an additional charge.

### Non-UK residents

If you are not resident in the UK, we will issue official paperwork and email the required documents to you. You will need to apply for your visa at the local consulate. The process is very straightforward and we can assist you with completing the visa forms. You will have to pay the correct visa fee at the consulate in the country of your residence.

You can read more information about visa and application forms on our website:
