## INFORMATION ABOUT VISAS

Go Russia provides assistance in processing visas and visa fees are included in the cost of most of our trips as detailed in the tour dossier. The visa application process is very straightforward. We have years of practical experience in dealing with tourist visas, and our in-house visa team provides assistance with completing the forms and checking the documents before consular submission. Please do not worry that your application will be unsuccessful (unless you have had any immigration issues with the relevant authorities in the past). All our tourists get their visas.

All nationalities require a full passport valid for at least six months beyond the intended length of stay. Please also make sure there are enough blank pages in your passport: Russian consulate requires minimum two blank pages.

### UK, USA, Germany, France, Spain residents

We have in-house visa teams in the UK, USA, Germany, France and Spain. Upon your booking we will email you detailed guidance notes how to fill in the visa forms and what additional documents depending on nationality and your immigration status will be required. You will need to post your application pack to our visa processing office including your original passport. Please allow about two weeks for each visa application to be processed. Please advise us if you require your passport urgently, we can arrange urgent processing for an additional charge.

### Non-UK, USA, Germany, France, Spain residents

If you are not resident in the UK, USA or Germany, we will issue official paperwork and email the required documents to you. You will need to apply for your visa at the local consulate. The process is very straightforward and we can assist you with completing the visa forms. You will have to pay the correct visa fee at the consulate in the country of your residence.

You can read more information about visa and application forms on our website:
